**Second International Workshop of ISA RC45 on
Social Inequality**
September 1, 2017, Utrecht, The Netherlands

Aim: This one-day workshop discusses future directions of social inequality research. It especially welcomes young scholars' work in progress (graduate students and post-docs). This can be a good chance to present your ongoing work and exchange ideas with globally acclaimed researchers in a beautiful historic city.

Keynote speakers: **Guillermina Jasso** (New York University, board member of RC45), **Toru Kikkawa** (Osaka University, PI of SSP Project)

Jasso

Kikkawa

Invited advisers: **Antonio M. Chiesi** (University of Milan, president of RC45), **Gianluca Manzo** (University of Paris, editor of *Analytical Sociology*)

Chiesi

Manzo

Presentation format: Oral (and posters if needed). Please plan for a 15 minutes presentation + 10 minutes discussion (depending on number of papers).

Co-sponsors: International Sociological Association Research Committee 45 on Rational Choice, Stratification and Social Psychology Project (SSP Project)

Organizers: Jun Kobayashi (Seikei University), Masayuki Kanai (Senshu University), Carola Hommerich (Hokkaido University), Vincent Buskens (Utrecht University, local organizer)

Website: www.isc.senshu-u.ac.jp/~thh0808/utrecht/

Deadline for abstract submission: June 15, 2017

Abstract Submission: (1) Title, Author(s), Affiliation(s), E-mail address of presenting author

(2) Abstract (150-300 words)

(3) Do you want your paper to be forwarded to a poster session if not accepted as oral presentation?

Submit to Jun Kobayashi (jun.kobayashi@fh.seikei.ac.jp) and Masayuki Kanai (mkanai@senshu-u.jp).

Acceptance notice: By the end of June 2017

- Notes:**
1. Organizers will give "Best Paper Award" to outstanding presentations at the workshop.
 2. Travel grant is available based on quality of the abstract (see website).
 3. Registration fees: TBA (see website). Fees will be **discounted** for RC45 members.
 4. Questions? Ask Jun Kobayashi (jun.kobayashi@fh.seikei.ac.jp).
